

BREUM

Breum is a traditional 1925 gaff ketch of wooden construction, built of oak in Denmark originally as a North Sea fishing vessel.

At 22.2m (74 feet including bowsprit) and 50 tons, Breum is a strong, stable and comfortable craft with large deck areas and wheelhouse seating options. She offers day sails of up to 30 passengers and overnight coastal voyaging to a maximum of 13.

Relax and enjoy the unique experience of a large traditional yacht or assist with the boat handling and sail control.
